

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant :	Lu et al.	Art Unit :	1648
Serial No. :	10/728,195	Examiner :	Bo Peng
Filed :	December 3, 2003	Conf. No. :	7308
Title :	POLYVALENT, PRIMARY HIV-1 GLYCOPROTEIN DNA VACCINES AND VACCINATION METHODS		

MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

This statement is being filed after a first Office action on the merits, but before receipt of a final Office action or a Notice of Allowance.

The fee in the total amount of \$180 is being paid concurrently herewith on the Electronic Filing System (EFS) by way of Deposit Account authorization.

Please apply any other charges or credits to Deposit Account No. 06-1050, referencing Attorney Docket No. 17738-003001.

Respectfully submitted,

Date: _____

7/11/2006
